

welcome to KINSHIP PATH

Are you a relative or close connection supporting a youth in the foster care system? Sounds like you're a kinship caregiver!

Meet fellow kinship caregivers in Kinship Path, a program created for kin caregivers to share and build trauma-informed skills!

live sessions and support

Meet fellow kinship caregivers and expert facilitators for ten live, virtual meetings to learn more on highly requested kinship-caregiver topics:

- Trauma-informed care
- Navigating roles
- Partnering with parents
- Supporting your role
- Understanding healthy development
- Building stability
- and so much more!

This program includes the option to earn 26 licensing credit hours.
